### **Current E-mail-problem**

Because of the changeover of our computer system in our offices I can't read your emails, which you sent since yesterday night (Wed) 8pm to my email address Rev. Peter.RVC@verizon.net.

I will have access to my email account again (hopefully) on Monday. I apologize for the inconvenience. If you need to talk to me before that please feel free to call me on my cell 202 441 6950. Thanks!

Peter

### **Monthly Publication for September**

The monthly edition will be this time published in a fresh and professional design. We plan to publish it on Thursday September, 8th. For this specific week it will replace the weekly E-newsletter.

Please be reminded that short and longer articles are welcome for the monthly September publication. So far we have 1 person and myself writing something. Don't be afraid: It can be as short as this little box. :)

Tell us, why you belong to our church. Share with us, which vision you have for the church. Enrich us with a personal sharing!

Thank you for considering this and your courage to do it!

Peter

If you would like to visit Beverly Fernandez she has been transferred to Meadowbrook Care Center, 320 West Merrick Rd, Freeport.
