The S.T.O.P. (Stop Throwing Out Pollutants) Program collection date for September is: Saturday, September 17th between 8am-3pm at the Valley Stream State Park, Fletcher Ave. Entrance. By bringing such toxins as antifreeze, drain cleaners and pesticides on any of the scheduled S.T.O.P. collection days, you and your family can make a significant contribution to the protection of our precious groundwater supply and the preservation of our bays and estuaries. Together we can ensure the continued integrity of our fragile ecosystem. <http://townofhempstead.org/content/cs/stop.html>
